

Petition For Spanish Fork City Council

Whereas, current Spanish Fork City Ordinance 5.12.070 states that no beer will be sold on Sunday, and,

Whereas, the City Council of Spanish Fork, on June 1, 2004 voted unanimously against the sale of beer on Sunday, and,

Whereas, the understood community standard of Spanish Fork does not approve of the sale of beer on Sunday, and

Whereas, neither I, nor any of my neighbors, to the best of my knowledge, have been approached asking if our community standards have changed since that last vote, now,

Therefore be it resolved that I, the undersigned, as a citizen of Spanish Fork, Utah, do hereby petition the City Council of Spanish Fork to continue to uphold the community standards of our city and the current city code by prohibiting the sale of beer on Sunday.
